

## How does the payment process work?

If you are buying a Care Card online:

One can either pay by Credit Card or by Electronic Bank Transfer (EFT). Once payment has been received, the Care Cards team will post your order to your preferred address.

If you have registered your school/charity as an Affiliate Organisation:

Your school/charity will receive 50% of all funds raised through the Care Cards campaign. The Heart of Healing will deposit the funds into your bank account using the Paypal system every month.
