

How can I keep my downline going?

Once you have given out your Care Badges, ask those three people to Pay-It-Forward by buying a Care Card online and also giving out their three badges. Keep the chain going!

Make sure you give them the number of your Care Badge, and if you are supporting a specific school or charity, ask them to log onto that school/charity's unique URL website (e.g. www.carecards.co.za/pages/106.htm)
